

CCID Urban Management strives to ensure the Cape Town CBD is clean and welcoming.

HERE'S WHAT WE DO

CLEAN

Sweep; pick up litter; empty green bins; empty CCID ciggie-butt bins; remove waste

CLEAR

Clean out stormwater drains, municipal inlets and drains, channels and gulleys

FIX

Reinstate uneven and missing paving and kerb stones; repair potholes and minor road defects; paint road signs and markings; straighten street signs and bollards

REMOVE

Graffiti, tags, illegal posters and stickers

MONITOR

Check rodent boxes; report defects and faults to the City of Cape Town

GARDEN

Plant and trim trees, weed, maintain tree wells

BEAUTIFY

Paint benches, lampposts, railings, bollards and post boxes; instal floral and festive baskets

SANITISE

Clean and sanitise "hotspots"
